

General Terms and Conditions of Business (GTC)

For the Ticketing of the Liechtenstein Football Association (LFV)

The following Terms and Conditions governing the attendance of matches of the Liechtenstein National Football Team constitute an essential part of the contract concerning the purchase of entrance tickets or other admission passes issued to attend matches and events of the Liechtenstein Football Association.

1. Contractual relations

The Liechtenstein Football Association (LFV) offers its users ("Customers") the opportunity to acquire tickets over the internet or at the box office in accordance with the provisions of these General Terms and Conditions of Business (GTC). The Customer shall offer to establish the agreement by presenting an order to the LFV and initiating a payment order. The agreement shall be established between the Customer and the LFV only when the ticket order has been confirmed.

2. Basis

These GTC represent the basis for using the website and taking up services, such as in particular purchasing tickets via the ticketing system. By clicking the checkbox: "I have read and accepted the General Terms and Conditions of Business" the Customer declares that he or she recognises and will adhere to the GTC.

3. Ticketing system

The LFV and its suppliers strive to offer the Customer the smoothest possible and professional service in accordance with the state of the art. For this purpose, the LFV deploys proven technology as well as qualified specialists and suppliers (collectively: "Suppliers"), while applying the necessary due diligence. Despite this, the LFV cannot guarantee the error-free or uninterrupted rendering of the services, or exclude the unlawful accessing of the IT system or misuse by unauthorised parties, and rejects any liability for possible resulting damages. Liability for third-party performances shall be excluded to the legally-permissible extent.

4. Ticket sales: Print@home, delivery, conditions

By placing the order, the Customer may book the free seat that he or she wishes to occupy. After selecting the seat, the Customer may choose between print@home or delivery. Tickets bought over the internet are generally limited to 10 tickets per order.

4.1 Print@home

The ticket can be printed out at home using the function print@home. The ticket contains a barcode that is read at the respective entrance/turnstile. The user is responsible for ensuring that this barcode is printed in a legible manner and is not damaged.

4.2 Barcode

Paper tickets and season tickets also have a barcode that is read at the respective entrance/turnstile. The user is responsible for ensuring that this barcode is not damaged.

4.3 Box office on the day

The box offices are opened 90 minutes before the start of the match. There is no entitlement to a seat selection at the box office on the day.

4.5 Ticket exchange / return

Tickets cannot be exchanged or returned.
